

Merit Construction Inc. is soliciting fee proposals from certain invited MEP subcontractors needed for the construction of the new Cornerstone of Recovery 200 bed 12 Million treatment facility in Alcoa TN. The blank fee proposal can be downloaded from our website at www.meritconstruction.com. The completed fee proposal should be delivered to Mr. Steve Heatherly, Merit Construction Inc, 10435 Dutchtown Road, Knoxville Tn. 37932 or sheatherly@meritconstruction.com no later than 5:00 PM on December 11, 2014. A bondability letter from an A rated treasury listed bonding company licensed in the state of TN is required with each submission.

This 4 story 94,500 square feet facility is scheduled to start 4/01/15 and achieve substantial completion in 13 months. The facility consists of 100 double occupancy patient rooms, administrative and support space, group rooms, and a full kitchen with loading dock.
